Welcome to the 2025 Grimes County Fair

Premium Auction!

We would like to welcome you to the 2025 Grimes County Fair Premium Auction and thank you for your continued support of the youth of Grimes County. Without your help our fair would not be a success. The following are a few sale reminders. If you have any questions please see one of the ladies at the front table.

- Once the gavel falls on a sale lot that is the final price. If you would like to add additional money to a project please do so by placing an add-on on that project. This will help our sale to run smoothly.
- If you should need to change the disposition of an animal after you have signed and returned your slip, the person that signed the original paperwork will need to come to the table and speak with Sharon. This will eliminate any confusion on paperwork.
- Please remember that Pen of 2 Heifers are sold at 2 times the money.
- This year there K & C Meats in Navasota is providing animal pickup after the sale. You are welcome to send you projects to any processor, but if you choose one that is not listed here it will be up to you or the exhibitor to make arrangements for transportation to the facility.
- Add-ons – This year you will have two options to complete add-ons. If you would like to pay using a credit card you will be able to follow a link on our website and enter and pay for your add-ons on-line. However, if you would rather be billed you will still be able to email your add-ons by following the instructions on the website. Please visit www.grimescountyfair.com and click on the Auction & Buyers Info tab at the top for further instructions. **Please remember that ALL add-ons are due by Wednesday, June 11th at 5 p.m.**
